The provisions of this paragraph also shall apply to: (1) the garage or within three (3) feet of the garage (whether attached or detached); (2) any outbuildings located within three feet of the residence or garage; and (3) a maximum of ten (10) linear feet of the nearest portion of a fence on Seller's Property within three feet of the residence or garage. If there is evidence of present infestation as described above, or if damage caused by present or prior infestation is discovered, Seller, at Seller's expense, shall repair any damage caused by present or prior infestation and have the present infestation treated by a licensed pest control company. If the cost of treatment and repair of such damage exceeds 2% of the purchase price, Seller may, at Seller's option, cancel this Contract, unless Buyer, at Buyer's option should choose to pay for the cost of treatment and repairs exceeding 2% of the purchase price, then this Contract shall remain in full force and effect. If such report reveals damage for which the cost of treatment and repair exceeds 2% of the purchase price, Seller's decision regarding treatment and repair of damage shall be communicated in writing to Buyer within five (5) days from receipt of the report, after which Buyer shall respond to Seller in writing with Buyer's decision within three (3) days from receipt of Seller's notification of Seller's decision. If Seller does not notify Buyer in writing of Seller's decision within five (5) days from receipt of report, Buyer may, at Buyer's option, pay for the cost of treatment and repairs exceeding 2% of the purchase price. If Buyer does not want to pay for the cost of treatment and repairs exceeding 2% of the purchase price, Buyer may terminate this Contract upon written notice delivered to Seller. In the event this Contract is terminated under the terms of this paragraph, the Deposit(s) shall be disbursed in accordance with the Deposit paragraph of this Contract.

20. DEPOSIT: If the Deposit is held by a Broker as specified in Paragraph 7(c) of this Contract, Buyer hereby authorizes and directs Broker to hold the Deposit instrument without negotiation or deposit until the parties have executed and accepted this Contract. Upon acceptance, the initial Deposit and additional Deposits (the "Deposit"), if any, shall be placed in escrow as provided in Paragraph 7(e) of this Contract and in accordance with the requirements of Section 17-502(b)(1) of the Business Occupations and Professions Article, Annotated Code of Maryland. If Seller does not execute and accept this Contract, the initial Deposit instrument shall be promptly returned to Buyer. The Deposit shall be disbursed at settlement. In the event this Contract shall be terminated or settlement does not occur, Buyer and Seller agree that the Deposit shall be disbursed by Broker only in accordance with a Release of Deposit agreement executed by Buyer and Seller. In the event Buyer and/or Seller fail to complete the real estate transaction in accordance with the terms and conditions of this Contract, and either Buyer or Seller shall be unable or unwilling to execute a Release of Deposit agreement, Buyer and Seller hereby acknowledge and agree that Broker may distribute the Deposit in accordance with the provisions of Section 17-505(b) of the Business Occupations and Professions Article, Annotated Code of Maryland.

21. DEED AND TITLE: Upon payment of the purchase price, a deed for the Property containing covenants of special warranty and further assurances (except in the case of transfer by personal representative of an estate), shall be executed by Seller and shall convey the Property to Buyer. Title to the Property, including all chattels included in the purchase, shall be good and merchantable, free of liens and encumbrances except as specified herein; except for use and occupancy restrictions of public record which are generally applicable to properties in the immediate neighborhood or the subdivision in which the Property is located and publicly recorded easements for public utilities and any other easements which may be observed by an inspection of the Property. Buyer expressly assumes the risk that restrictive covenants, zoning laws or other recorded documents may restrict or prohibit the use of the Property for the purpose(s) intended by Buyer. In the event Seller is unable to give good and merchantable title or such as can be insured by a Maryland licensed title insurer, with Buyer paying not more than the standard rate as filed with the Maryland Insurance Commissioner, Seller, at Seller's expense, shall have the option of curing any defect so as to enable Seller to give good and merchantable title or, if Buyer is willing to accept title without said defect being cured, paying any special premium on behalf of Buyer to obtain title insurance on the Property to the benefit of Buyer. In the event Seller elects to cure any defects in title, this Contract shall continue to remain in full force and effect; and the date of settlement shall be extended for a period not to exceed fourteen (14) additional days. If Seller is unable to cure such title defect(s) and is unable to obtain a policy of title insurance on the Property to the benefit of Buyer from a Maryland licensed title insurer, Buyer shall have the option of taking such title as Seller can give, or terminating this Contract and being reimbursed by Seller for cost of searching title as may have been incurred not to exceed 1/2 of 1% of the purchase price. In the latter event, there shall be no further liability or obligation on either of the parties hereto; and this Contract shall become null and void; and all Deposit(s) shall be disbursed in accordance with the Deposit paragraph of this Contract. In no event shall Broker(s) or their agent(s) have any liability for any defect in Seller's title.

22. CONDITION OF PROPERTY AND POSSESSION: At settlement, Seller shall deliver possession of the Property and shall deliver the Property vacant, clear of trash and debris, broom clean and in substantially the same condition as existed on the Date of Contract Acceptance. 23. ADJUSTMENTS: Ground rent, homeowner's association fees, rent and water rent shall be adjusted and apportioned as of date of settlement; and all taxes, general or special, and all other public or governmental charges or assessments against the Property which are or may be payable on a periodic basis, including Metropolitan District Sanitary Commission, Washington Suburban Sanitary Commission, or other benefit charges, assessments, liens or encumbrances for sewer, water, drainage, paving, or other public improvements completed or commenced on or prior to the date hereof, or subsequent thereto, are to be adjusted and apportioned as of the date of settlement and are to be assumed and paid thereafter by Buyer, whether assessments have been levied or not as of date of settlement if applicable by local law. Any heating or cooking fuels remaining in supply tank(s) at time of settlement shall become the property of Buyer.

24. SETTLEMENT COSTS: Buyer agrees to pay all settlement costs and charges including, but not limited to, all Lender's fees in connection herewith, including title examination and title insurance fees, loan insurance premiums, all document preparation and recording fees, notary fees, survey fees where required, and all recording charges, except those incident to clearing existing encumbrances or title defects, except if Buyer is a Veteran obtaining VA financing, those prohibited to be paid by a Veteran obtaining VA financing, which prohibited charges shall be paid by Seller.

A. IN GENERAL. Section 14-104(b) of the Real Property Article, Annotated Code of Maryland provides that, unless otherwise negotiated in the contract or provided by State or local law, the cost of any recordation tax or any State or local Transfer Tax shall be shared equally between the Buyer and Seller.

B. FIRST-TIME BUYER. Under Section 14-104(c) of the Real Property Article, the entire amount of recordation and local transfer tax shall be paid by the Seller of property that is sold to a first-time Maryland homebuyer, unless there is an express agreement that the recordation tax or any state or local transfer tax will not be paid entirely by the Seller.

RECORDATION AND LOCAL TRANSFER TAX. If the Buyer is a first-time Maryland homebuyer, Buyer and Seller expressly agree, in accordance with Section 14-104(c) of the Real Property Article, Annotated Code of Maryland, that payment of recordation tax and local transfer tax shall be shared equally between the Buyer and Seller unless a "First-time Maryland Homebuyer Transfer and Recordation Tax Addendum" is attached, which contains a different express agreement.

STATE TRANSFER TAX: Under Section 13-203(b) of the Tax-Property Article, Annotated Code of Maryland, the amount of state transfer tax due on the sale of property to a first-time Maryland homebuyer is reduced from 0.50% to 0.25% and shall be paid entirely by the Seller. Buyer is hereby notified that to ensure receipt of the above reduction, Buyer should so indicate on Page 10 of this Contract and complete the required affidavit at settlement indicating that the Buyer is a first-time Maryland homebuyer.

26. BROKER LIABILITY: Brokers, their agents, subagents and employees do not assume any responsibility for the condition of the Property or for the performance of this Contract by any or all parties hereto. By signing this Contract, Buyer and Seller acknowledge that they have not relied on any representations made by Brokers, or any agents, subagents or employees of Brokers, except those representations expressly set forth in this Contract.

27. BROKER'S FEE: All parties irrevocably instruct the settlement officer to collect the fee or compensation and disburse same according to the terms and conditions provided in the listing agreement and/or agency representation agreement. Settlement shall not be a condition precedent to payment of compensation.

28. SELLER RESPONSIBILITY: Seller agrees to keep existing mortgages free of default until settlement. All violation notices or requirements noted or issued by any governmental authority (including without limitation, any permit violation notices), or actions in any court on account thereof, against or affecting the Property at the date of settlement of this Contract, shall be complied with by Seller and the Property conveyed free thereof. The Property is to be held at the risk of Seller until legal title has passed or possession has been given to Buyer. If, prior to the time legal title has passed or possession has been given to Buyer, whichever shall occur first, all or a substantial part of the Property is destroyed or damaged, without fault of Buyer, then this Contract, at the option of Buyer, upon written notice to Seller, shall be null and void and no further effect, and the deposits shall be disbursed in accordance with the Deposit paragraph of this Contract.

29. BUYER RESPONSIBILITY: If Buyer has misrepresented Buyer's financial ability to consummate the purchase of the Property, or if this Contract is contingent upon Buyer securing a written commitment for financing and Buyer fails to apply for such financing within the time period herein specified, or fails to pursue financing diligently and in good faith, or if Buyer makes any misrepresentations in any document relating to financing, or takes (or fails to take) any action which causes Buyer's disqualification for financing, then Buyer shall be in default; and Seller may elect by written notice to Buyer, to terminate this Contract and/or pursue the remedies set forth under the Default paragraph of this Contract.

30. HOMEOWNER'S ASSOCIATION: The Property is not part of a development subject to the imposition of mandatory fees as defined by the Maryland Homeowner's Association Act, unless acknowledged by attached addendum.

31. GROUND RENT: If the Property is subject to ground rent and the ground rent is not timely paid, the ground lease holder (i.e., the person to whom the ground rent is payable) may bring an action under Section 8-402.3 of the Real Property Article, Annotated Code of Maryland. As a result of this action, a lien may be placed upon the property. If the Property is subject to ground rent, Sections 14-116 and 14-116.1 of the Real Property Article provide the purchaser, upon obtaining ownership of the Property, with certain rights and responsibilities relative to the ground rent. (If the Property is subject to ground rent: See Property Subject to Ground Rent Addendum.)

32. SALE/SETTLEMENT OR LEASE OF OTHER REAL ESTATE: Neither this Contract nor the granting of Buyer's loan referred to herein is to be conditioned or contingent in any manner upon the sale, settlement and/or lease of any other real estate unless a contingency for the sale, settlement and/or lease of other real estate is contained in an addendum to this Contract. Unless this Contract is expressly contingent upon the sale, settlement and/or lease of any other real estate, Buyer shall neither apply for nor accept a financing loan commitment which is contingent upon or requires as a pre-condition to funding that any other real estate be sold, settled and/or leased.

33. LEASES: Seller may neither negotiate new leases nor renew existing leases for the Property which extend beyond settlement or possession date without Buyer's written consent.

34. DEFAULT: Buyer and Seller are required and agree to make full settlement in accordance with the terms of this Contract and acknowledge that failure to do so constitutes a breach hereof. If Buyer fails to make full settlement or is in default due to Buyer's failure to comply with the terms, covenants and conditions of this Contract, the initial Deposit and additional Deposits (the "Deposit") may be retained by Seller as long as a Release of Deposit Agreement is signed and executed by all parties, expressing that said Deposit may be retained by Seller. In the event the parties do not agree to execute a Release of Deposit Agreement, Buyer and Seller shall have all legal and equitable remedies. If Seller fails to make full settlement or is in default due to Seller's failure to comply with the terms, covenants and conditions of this Contract, Buyer shall be entitled to pursue such rights and remedies as may be available, at law or in equity, including, without limitation, an action for specific performance of this Contract and/or monetary damages. In the event of any litigation or dispute between Buyer and Seller concerning the release of the Deposit, Broker's sole responsibility may be met, at Broker's option, by paying the Deposit into the court in which such litigation is pending, or by paying the Deposit into the court of proper jurisdiction by an action of interpleader. Buyer and Seller agree that, upon Broker's payment of the Deposit into the court, neither Buyer nor Seller shall have any further right, claim, demand or action against Broker regarding the release of the Deposit; and Buyer and Seller, jointly and severally, shall indemnify and hold Broker harmless from any and all such rights, claims, demands or actions. In the event of such dispute and election by Broker to file an action of interpleader as herein provided, Buyer and Seller further agree and hereby expressly and irrevocably authorize Broker to deduct from the Deposit all costs incurred by Broker in the filing and maintenance of such action of interpleader including but not limited to filing fees, court costs, service of process fees and attorneys' fees, provided that the amount deducted shall not exceed the lesser of \$500 or the amount of the Deposit held by Broker. All such fees and costs authorized herein to be deducted may be deducted by Broker from the Deposit prior to paying the balance of the Deposit to the court. Buyer and Seller further agree and expressly declare that all such fees and costs so deducted shall be the exclusive property of Broker. If the amount deducted by Broker is less than the total of all of the costs incurred by Broker in

35. MEDIATION OF DISPUTES: Mediation is a process by which the parties attempt to resolve a dispute or claim with the assistance of a neutral mediator who is authorized to facilitate the resolution of the dispute. The mediator has no authority to make an award, to impose a resolution of the dispute or claim upon the parties or to require the parties to continue mediation if the parties do not desire to do so. Buyer and Seller agree that any dispute or claim arising out of or from this Contract or the transaction which is the subject of this Contract shall be mediated through the Maryland REALTORS®, Inc. or its member local boards/associations in accordance with the established Mediation Rules and Guidelines of Maryland REALTORS® or through such other mediator or mediation service as mutually agreed upon by Buyer and Seller, in writing. Unless otherwise agreed in writing by the parties, mediation fees, costs and expenses shall be divided and paid equally by the parties to the mediation. If either party elects to have an attorney present that party shall pay his or her own attorney's fees.

Buyer and Seller further agree that the obligation of Buyer and Seller to mediate as herein provided shall apply to all disputes or claims arising whether prior to, during, or within one (1) year following the actual contract settlement date or when settlement should have occurred. Buyer and Seller agree that neither party shall commence any action in any court regarding a dispute or claim arising out of or from this Contract or the transaction which is the subject of this Contract, without first mediating the dispute or claim, unless the right to pursue such action or the ability to protect an interest or pursue a remedy as provided in this Contract, would be precluded by the delay of the mediation. In the event the right to pursue such action, or the ability to protect an interest or pursue a remedy would be precluded by the delay, Buyer or Seller may commence the action only if the initial pleading or document commencing such action is accompanied by a request to stay the proceeding pending the conclusion of the mediation. If a party initiates or commences an action in violation of this provision, the party agrees to pay all costs and expenses, including reasonable attorneys' fees, incurred by the other party to enforce the obligation as provided herein. The provisions of this paragraph shall survive closing and shall not be deemed to have been extinguished by merger with the deed.

36. ATTORNEY'S FEES: In any action or proceeding between Buyer and Seller based, in whole or in part, upon the performance or non-performance of the terms and conditions of this Contract, including, but not limited to, breach of contract, negligence, misrepresentation or fraud, the prevailing party in such action or proceeding shall be entitled to receive reasonable attorney's fees from the other party as determined by the court or arbitrator. In any action or proceeding between Buyer and Seller and/or between Buyer and Broker(s) and/or Seller and Broker(s) resulting in Broker(s) being made a party to such action or proceeding, including, but not limited to, any litigation, arbitration, or complaint and claim before the Maryland Real Estate Commission, whether as defendant, cross-defendant, third-party defendant or respondent, Buyer and Seller jointly and severally, agree to indemnify and hold Broker(s) harmless from and against any and all liability, loss, cost, damages or expenses (including filing fees, court costs, service of process fees, transcript fees and attorneys' fees) incurred by Broker(s) in such action or proceeding, providing that such action or proceeding does not result in a judgment against Broker(s).

As used in this Contract, the term "Broker(s)" shall mean: (a) the two (2) Brokers as identified on Page 11 of this Contract; (b) the two (2) named Sales Associates identified on Page 11 of the Contract; and (c) any agent, subagent, salesperson, independent contractor and/or employees of Broker(s). The term "Broker(s)" shall also mean, in the singular, any or either of the named Broker(s) and/or Sales Associate(s) as identified or, in the plural, both of the named Brokers and/or Sales Associates as identified.

This Paragraph shall apply to any and all such action(s) or proceeding(s) against Broker(s) including those action(s) or proceeding(s) based, in whole or in part, upon any alleged act(s) or omission(s) by Broker(s), including, but not limited to, any alleged act of misrepresentation, fraud, non-disclosure, negligence, violation of any statutory or common law duty, or breach of fiduciary duty by Broker(s). The provisions of this Paragraph shall survive closing and shall not be deemed to have been extinguished by merger with the deed.

37. NOTICE OF BUYER'S RIGHT TO SELECT SETTLEMENT SERVICE PROVIDERS: Buyer has the right to select Buyer's own title insurance company, title lawyer, settlement company, escrow company, mortgage lender or financial institution as defined in the Financial Institutions Article, Annotated Code of Maryland. Buyer acknowledges that Seller may not be prohibited from offering owner financing as a condition of settlement.

38. PROPERTY OWNER'S TITLE INSURANCE: Buyer, at Buyer's expense, may purchase owner's title insurance at either "standard" or "enhanced" coverage and rates. The coverage afforded by such title insurance would be governed by the terms and conditions thereof, and the premium for obtaining such title insurance coverage would be determined by the extent of its coverage. For purposes of owner's title insurance policy premium rate disclosures by Buyer's lender, Buyer and Seller agree that enhanced rates (if available) shall be quoted by Buyer's lender. Buyer understands that nothing herein obligates Buyer to obtain any owner's title insurance coverage at any time, including at settlement, and that the availability of owner's title insurance coverage is subject to the underwriting criteria of the title insurer.

39. AUTHORIZATION TO PROVIDE TILA-RESPA INTEGRATED DISCLOSURES: Buyer and Seller hereby authorize the lender, title company, escrow agent, and/or their representatives to disclose and provide copies of the closing disclosure(s)

and/or other settlement statement to the real estate licensees involved in the transaction at the time these documents are provided to Buyer and Seller.

40. LIMITED WARRANTY: NOTICE TO BUYER: IF A WARRANTY PLAN IS BEING OFFERED WITH THE PURCHASE OF THE PROPERTY, IT MAY BE A LIMITED WARRANTY. SINCE SUCH WARRANTY PLANS DO NOT COVER STRUCTURAL DEFECTS AND MAY NOT COVER PRE-EXISTING DEFECTS, BUYER SHOULD REQUEST THE REAL ESTATE AGENT TO PROVIDE BUYER WITH ANY BROCHURE WHICH DESCRIBES THE PLAN IN ORDER TO DETERMINE THE EXTENT OF COVERAGE PROVIDED BY THE WARRANTY.

41. PROPERTY INSURANCE BROCHURE: An informational brochure published by the Maryland REALTORS®, Inc. titled "The New Reality of Property Insurance — What You Should Know" is available to explain current issues relative to obtaining insurance coverage for the Property to be purchased.

42. FLOOD DISCLOSURE NOTICE:

A. FLOOD INSURANCE PREMIUMS: The Property or part of the Property may be located in an area established by the government as a "flood plain" or otherwise in an area where flood insurance could be required by Buyer's mortgage lender as a condition of granting a mortgage. In addition, construction on the Property could be prohibited or restricted. The National Flood Insurance Program ("NFIP") provides for the availability of flood insurance but also establishes flood insurance policy premiums based on the risk of flooding in the area where properties are located. Due to amendments to federal law governing the NFIP those premiums are increasing, and in some cases will rise by a substantial amount over the premiums previously charged for flood insurance. As a result, Buyer should not rely on the premiums paid for flood insurance on the Property as an indication of the premiums that will apply after Buyer completes the purchase. In considering the purchase of this Property, Buyer should consult with one or more carriers of flood insurance for better understanding of flood insurance coverage, the premiums that are likely to be required to purchase such insurance and any available information about how those premiums may increase in the future. Detailed information regarding flood insurance coverage may be obtained at: <http://www.fema.gov/national-flood-insurance-program>.

B. FLOOD INSURANCE RATE MAPS: The State of Maryland in conjunction with the Federal Emergency Management Agency has been systematically updating flood insurance rate maps. The Property may be affected. Buyer is advised to contact the Maryland Department of the Environment and consult a flood insurance carrier to inquire about the status of the Property. Detailed information regarding updated maps may be obtained at: <http://www.mdfloodmaps.net/home.html>.

43. GUARANTY FUND: NOTICE TO BUYER: BUYER IS PROTECTED BY THE REAL ESTATE GUARANTY FUND OF THE MARYLAND REAL ESTATE COMMISSION, UNDER SECTION 17-404 OF THE BUSINESS OCCUPATIONS AND PROFESSIONS ARTICLE OF THE ANNOTATED CODE OF MARYLAND, FOR LOSSES IN AN AMOUNT NOT EXCEEDING \$50,000 FOR ANY CLAIM.

44. SINGLE FAMILY RESIDENTIAL REAL PROPERTY DISCLOSURE NOTICE: Buyer is advised of the right to receive a "Disclosure and Disclaimer Statement" from Seller (Section 10-702 Real Property Article, Annotated Code of Maryland).

45. MARYLAND NON-RESIDENT SELLER: If the Property is not the Seller's principal residence and the Seller is a non-resident individual of the State of Maryland or is a non-resident entity which is not formed under the laws of the State of Maryland or qualified to do business in the State of Maryland, a withholding tax from the proceeds of sale may be withheld at the time of settlement except as otherwise provided by Maryland law. (See Maryland Non-Resident Seller Transfer Withholding Tax Addendum.)

46. INTERNAL REVENUE SERVICE FILING: Buyer and Seller each agree to cooperate with the settlement officer by providing all necessary information so that a report can be filed with the Internal Revenue Service, as required by Section 6045 of the IRS Code. To the extent permitted by law, any fees incurred as a result of such filing will be paid by the Seller.

47. NOTICE TO BUYER CONCERNING THE CHESAPEAKE AND ATLANTIC COASTAL BAYS CRITICAL AREA: Buyer is advised that all or a portion of the property may be located in the "Critical Area" of the Chesapeake and Atlantic Coastal Bays, and that additional zoning, land use, and resource protection regulations apply in this area. The "Critical Area" generally consists of all land and water areas within 1,000 feet beyond the landward boundaries of state or private wetlands, the Chesapeake Bay, the Atlantic Coastal Bays, and all of their tidal tributaries. The "Critical Area" also includes the waters of and lands under the Chesapeake Bay, the Atlantic Coastal Bays and all of their tidal tributaries to the head of tide. For information as to whether the property is located within the Critical Area, Buyer may contact the local Department of Planning and Zoning, which maintains maps showing the extent of the Critical Area in the jurisdiction. Allegany, Carroll, Frederick, Garrett, Howard, Montgomery and Washington Counties do not include land located in the Critical Area.

48. WETLANDS NOTICE: Buyer is advised that if the Property being purchased contains waters of the United States, or if the Property contains land and/or waters regulated by the State, including, but not limited to, wetlands, approval from the U.S. Army Corps of Engineers (Corps) and/or the Maryland Department of the Environment (MDE) will be necessary before starting any work, including construction, if the work includes the discharge of dredged or fill material into a regulated area, or certain other activities conducted in a regulated area. The Corps has adopted a broad definition of waters of the United States, which occur throughout the Chesapeake Bay Region, as well as other portions of the State. The land and waters regulated by the State include tidal wetlands, nontidal wetlands and their buffers, and streams and their 100-year nontidal floodplain. For information as to whether the Property includes waters of the United States or land and/or waters regulated by the State, Buyer may contact the Baltimore District of the Corps and/or MDE. Buyer may also elect, at Buyer's expense, to engage the services of a qualified specialist to inspect the Property for the presence of Corps-or MDE-regulated areas, including wetlands, prior to submitting a written offer to purchase the Property; or Buyer may include in Buyer's written offer a clause making Buyer's purchase of the Property contingent upon a satisfactory wetlands inspection.

49. FOREST CONSERVATION ACT NOTICE: If the Property is a tract of land 40,000 square feet or more in size, Buyer is notified that, unless exempted by applicable law, as a prerequisite to any subdivision plan or grading or sediment control permit for the Property, Buyer will be required to comply with the provisions of the Maryland Forest Conservation Act imposed by Section 5-1601, et seq. of the Natural Resources Article, Annotated Code of Maryland, including, among other things, the submission and acceptance of a Forest Stand Delineation and a Forest Conservation Plan for the Property in accordance with applicable laws and regulations. Unless otherwise expressly set forth in an addendum to this Contract, Seller represents and warrants that the Property is not currently subject to a Forest Conservation Plan, Management Agreement or any other pending obligation binding the owner of the Property under said Act; further, Seller represents and warrants that no activities have been undertaken on the Property by Seller in violation of the Forest Conservation Act.

50. NOTICE CONCERNING CONSERVATION EASEMENTS: If the Property is encumbered by a Conservation Easement as defined in Section 10-705 of the Real Property Article, Annotated Code of Maryland, the contract must contain a notice concerning the easement, which is contained in an attached addendum. This Paragraph does not apply to the sale of property in an action to foreclose a mortgage or deed of trust. (If the Property is encumbered by a Conservation Easement: See Conservation Easement Addendum.)

51. FOREIGN INVESTMENT TAXES-FIRPTA: Section 1445 of the United States Internal Revenue Code of 1986 provides that a Buyer of residential real property located in the United States must withhold federal income taxes from the payment of the purchase price if (a) the purchase price exceeds Three Hundred Thousand Dollars (\$300,000.00) and (b) the seller is a foreign person. Unless otherwise stated in an addendum attached hereto, if the purchase price is in excess of Three Hundred Thousand Dollars (\$300,000.00), Seller represents that Seller is not a non-resident alien, foreign corporation, foreign partnership, foreign trust or foreign estate (as those terms are defined by the Internal Revenue Code and applicable regulations) and agrees to execute an affidavit to this effect at the time of settlement.

52. CRIMINAL ACTIVITY AND SEXUAL OFFENDERS: Buyer may contact the state, county or municipal police departments in which the Property is located or check the "Sex Offender Registry" at the Maryland Department of Public Safety and Correctional Services website in order to ascertain criminal activity in the vicinity of the Property or the presence of registered sexual offenders who live or work within the vicinity of the Property. Buyer acknowledges that Buyer is solely responsible to inquire of such matters before signing this Contract. Buyer shall have no right to cancel this Contract based upon criminal activity or the presence of registered sexual offenders in the vicinity of the Property. Buyer further acknowledges that no real estate licensee involved in the sale or purchase of the Property, whether acting as the agent for Seller or Buyer, has any duty nor assumes any duty or responsibility to ascertain criminal activity or the presence of registered sexual offenders in the vicinity of the Property.

53. MILITARY INSTALLATIONS: This Section does not apply in Allegany, Carroll, Frederick, Garrett, Howard, Montgomery, and Washington Counties. Buyer is advised that the Property may be located near a military installation that conducts flight operations, munitions testing, or military operations that may result in high noise levels.

54. NOTICE TO THE PARTIES:

(A) NO REPRESENTATIONS: Brokers, their agents, subagents and employees, make no representations with respect to:

- (1) Water quantity, quality, color, or taste or operating conditions of public and/or private water systems;
- (2) Location, size or operating condition of on-site sewage disposal systems;
- (3) The extensions of public utilities by local municipal authorities, existence or availability of public utilities, and any assessments, fees or costs for public utilities which might be imposed by local municipal authorities or private entities, should public utilities be extended or available to the subject Property. (Buyer should consult the Department of Public Works to determine the availability of proposed future extensions of utilities.);

(4) Lot size, exact location. If the subject Property is part of a recorded subdivision, Buyer can review the plat upon request at the Record Office. If the subject Property is not part of a recorded subdivision, Buyer may verify exact size and location through a survey by a licensed engineer or land surveyor, at Buyer's expense;

(5) Existing zoning or permitted uses of the Property, including, without limitation, whether any improvements to the Property required permit(s) and, if so, whether such improvements, were completed pursuant to permit(s) issued and/or whether any permit(s) issued were complied with. Buyer should contact the appropriate local government agency and/or a licensed engineer to verify zoning, permit issuance/status, and permitted uses;

(6) Whether properly licensed contractors have been used to make repairs, renovations and improvements to the Property.

(B) NO ADVISING: Brokers/agents are not advising the parties as to certain other issues, including without limitation: soil conditions; flood hazard areas; possible restrictions of the use of property due to restrictive covenants, subdivision, environmental laws, easements or other documents; airport or aircraft noise; planned land use, roads or highways; and construction materials and/or hazardous materials, including without limitation flame retardant treated plywood (FRT), radon, radium, mold spores, urea formaldehyde foam insulation (UFFI), synthetic stucco (EIFS), asbestos, polybutylene piping and lead-based paint. Information relating to these issues may be available from appropriate governmental authorities. This disclosure is not intended to provide an inspection contingency.

(C) COMPENSATION OF VENDORS: Buyer and Seller each assume full responsibility for selecting and compensating their respective vendors.

(D) PROTECTION OF HOMEOWNERS IN FORECLOSURE ACT NOTICE: BUYER AND SELLER ACKNOWLEDGE THAT, UNDER SECTION 7-310 OF THE REAL PROPERTY ARTICLE OF THE ANNOTATED CODE OF MARYLAND, IF THE MORTGAGE ON THE PROPERTY IS AT LEAST 60 DAYS IN DEFAULT ON THE DATE OF CONTRACT ACCEPTANCE, SELLER HAS THE RIGHT TO RESCIND THE CONTRACT WITHIN 5 DAYS AFTER THE DATE OF CONTRACT ACCEPTANCE. ANY PROVISION IN THIS CONTRACT OR OTHER AGREEMENT THAT ATTEMPTS OR PURPORTS TO WAIVE ANY OF THE SELLER'S RIGHTS UNDER SECTION 7-310 IS VOID.

55. PROPERTY TAX NOTICE - 60 DAY APPEAL: If any real property is transferred after January 1 and before the beginning of the next taxable year to a new owner, the new owner may submit a written appeal as to a value or classification on or before 60 days after the date of the transfer.

56. NON-ASSIGNABILITY: This Contract may not be assigned without the written consent of Buyer and Seller. If Buyer and Seller agree in writing to an assignment of this Contract, the original parties to this Contract remain obligated hereunder until settlement.

57. PARAGRAPH HEADINGS: The Paragraph headings of this Contract are for convenience and reference only, and in no way define or limit the intent, rights or obligations of the parties.

58. COMPUTATION OF DAYS: As used in this Contract, and in any addendum or addenda to this Contract, the term "days" shall mean consecutive calendar days, including Saturdays, Sundays, and holidays, whether federal, state, local or religious. A day shall be measured from 12:00:00 a.m. to and including 11:59:59 p.m. in the Eastern Time Zone. For the purposes of calculating days, the count of "days" shall begin on the day following the day upon which any act or notice as provided in this Contract, or any addendum or addenda to this Contract, was required to be performed or made.

59. ENTIRE AGREEMENT: This Contract and any addenda thereto contain the final and entire agreement between the parties, and neither they nor their agents shall be bound by any terms, conditions, statements, warranties or representations, oral or written, not herein contained. The parties to this Contract mutually agree that it is binding upon them, their heirs, executors, administrators, personal representatives, successors and, if permitted as herein provided, assigns. Once signed, the terms of this Contract can only be changed by a document executed by all parties. This Contract shall be interpreted and construed in accordance with the laws of the State of Maryland. It is further agreed that this Contract may be executed in counterparts, each of which when considered together shall constitute the original Contract.

60. Understanding Whom Real Estate Agents Represent

THIS NOTICE IS NOT A CONTRACT

In this form "seller" includes "landlord"; "buyer" includes "tenant"; and "purchase" or "sale" includes "lease"

Agents Who Represent the Seller

Seller's Agent: A seller's agent works for the real estate company that lists and markets the property for the sellers and exclusively represents the sellers. A Seller's agent may assist the buyer in purchasing the property, but his or her duty of loyalty is only to the sellers.

Subagent: A Subagent means a licensed real estate broker, licensed associate real estate broker, or licensed real estate salesperson who is not affiliated with or acting as the listing real estate broker for a property, is not a buyer's agent, has an agency relationship with the seller, and assists a prospective buyer in the acquisition of real estate for sale in a non-agency capacity. The subagent works for a real estate company different from the company for which the seller's agent works. The subagent can assist a buyer in purchasing a property, but his or her duty of loyalty is only to the seller.

If you are viewing a property listed by the company with whom the agent accompanying you is affiliated, and you have not signed a Buyer Agency Agreement and a "Consent for Dual Agency" form, that agent is representing the seller

Agents Who Represent the Buyer

Buyer's Agent: A buyer may enter into a written contract with a real estate broker which provides that the broker will represent the buyer in locating a property to buy. The agent from that broker's company is then known as the buyer's agent. The buyer's agent assists the buyer in evaluating properties and preparing offers and developing negotiation strategies and works in the best interest of the buyer. The agent's fee is paid according to the written agreement between the broker and the buyer. If you as a buyer wish to have an agent represent you, you must enter into a written buyer agency agreement.

Dual Agents

The possibility of **dual agency** arises when the buyer's agent and the seller's agent both work for the same real estate company, and the buyer is interested in property listed by that company. The real estate broker or the broker's designee, is called the "dual agent." Dual agents do not act exclusively in the interests of either the seller or buyer, and therefore cannot give undivided loyalty to either party. There may be a conflict of interest because the interests of the seller and buyer may be different or adverse.

If both seller and buyer agree to dual agency by signing a Consent For Dual Agency form, the "dual agent" (the broker or the broker's designee) shall assign one agent to represent the seller (the seller's "intra-company agent") and another agent to represent the buyer (the buyer's "intra-company agent"). Intra-company agents are required to provide the same services to their clients that agents provide in transactions not involving dual agency, including advising their clients as to price and negotiation strategies.

If either party does not agree to dual agency, the real estate company must withdraw the agency agreement for that particular property with either the buyer or seller, or both. If the seller's agreement is terminated, the seller must then either represent him or herself or arrange to be represented by an agent from another real estate broker/company. If the buyer's agreement is terminated, the buyer may choose to enter into a written buyer agency agreement with a different broker/company. Alternatively, the buyer may choose not to be represented by an agent of his or her own but simply to receive assistance from the seller's agent, from another agent in that company, or from a subagent from another company.

No matter what type of agent you choose to work with, you have the following rights and responsibilities in selling or buying property:

- >Real estate agents are obligated by law to treat all parties to a real estate transaction honestly and fairly. They must exercise reasonable care and diligence and maintain the confidentiality of clients. They must not discriminate in the offering of properties; they must promptly present each written offer or counteroffer to the other party; and they must answer questions truthfully.
- >Real estate agents must disclose all material facts that they know or should know relating to a property. An agent's duty to maintain confidentiality does not apply to the disclosure of material facts about a property.
- >All agreements with real estate brokers and agents must be in writing and explain the duties and obligations of both the broker and the agent. The agreement must explain how the broker and agent will be paid and any fee-sharing agreements with other brokers.
- >You have the responsibility to protect your own interests. You should carefully read all agreements to make sure they accurately reflect your understanding. A real estate licensee is qualified to advise you on real estate matters only. If you need legal or tax advice, it is your responsibility to consult a licensed attorney or accountant.

Any complaints about a real estate licensee may be filed with the Real Estate Commission at 500 North Calvert Street, Baltimore, MD 21202. (410) 230-6205

GENERAL ADDENDUM TO CONTRACT OF SALE

FOR USE WITH THE MARYLAND ASSOCIATION OF REALTORS® RESIDENTIAL CONTRACT OF SALE FORM

Addendum Number 1 to Contract of Sale (the "Contract") dated September 25, 2019

Buyer(s): Aruna Rao

Seller(s): Joann D. Sachs

Property: 111 HAMLET HILL RD #1011, BALTIMORE, MD 21210

1. LEGAL REQUIREMENT: A Contract for the sale of real property is required to be in writing to be enforceable under the laws of the State of Maryland. Once signed by the parties, the Contract becomes a legally binding agreement. The original terms of the Contract can only be altered thereafter with the agreement of the parties expressed in writing. All parties have the right to be represented by an attorney and are encouraged to seek competent advice if they do not understand any term(s) of the Contract. The broker/agent is required to promptly submit all written Contract offers to the Seller.

2. INTENDED USE: The use of a particular property may be limited or restricted as a result of zoning laws, local ordinances and/or restrictive covenants applicable to the property. The Contract of Sale form provided by the broker/agent is designed and intended for use only in the purchase and sale of single-family residences or unimproved residential property. If Buyer intends to use a property for any other purpose, the standard Contract of Sale form may not adequately serve to protect Buyer's interests without the addition of an appropriate clause or addendum conditioning the Contract offer upon a determination that Buyer's intended use of the Property will be permitted.

3. SETTLEMENT: All persons to be in title and/or responsible where a mortgage is to be created should be present at the time of settlement and may be required to provide proper identification. Prior to settlement, a lender normally requires that Buyer obtain and provide a fully paid homeowner's insurance policy, a termite inspection report, and various certifications which may be applicable to improved properties. Buyer should be prepared at the time of settlement to pay the settlement costs and the balance due under the Contract. Buyer must provide cash, wired funds, bank check or certified check for amounts to be paid at settlement. In some cases, Seller may be required to provide funds in excess of the sales proceeds in order for settlement to occur, in which event, Seller also should be prepared to make payment in an approved form. Any party uncertain of the amount required at settlement should make inquiry of the title company or settlement attorney prior to settlement. Buyer should establish gas, electric and water service in Buyer's name commencing the day of settlement.

4. GROUND RENT: If a Property is subject to an existing ground rent as provided in a lease recorded among the Land Records, or if a ground rent is to be created, Seller will make those disclosures required by law by an appropriate additional clause or addendum to the Contract.

5. RENTAL: If any portion of the Property is to be rented to tenants by Buyer, the local government may require that the Property be registered prior to any rental and a yearly registration fee may be assessed by the local government. You may call the appropriate government office for further information. If the Property is now or has been rented to tenants, local laws may give the tenants certain rights to purchase the Property. These rights are set forth in the Contract. Effective October 1, 1994, certain disclosures are required regarding the presence of lead paint in certain rental properties.

6. EQUAL HOUSING OPPORTUNITY: A REALTOR® is required by federal, state and local law, and the Code of Ethics of the National Association of REALTORS® to treat all parties in a non-discriminatory manner without regard to race, color, creed, age, religion, national origin, sex, marital status, familial status, physical or mental disability, occupation, sexual orientation or preference, or other protected classifications under Fair Housing Laws.

7. HOMEOWNER ASSOCIATIONS/CONDOMINIUMS: If a Property is part of a development subject to the imposition of mandatory fees as defined by the Maryland Homeowners Association Act, and/or a condominium unit, Seller will make the required disclosures by an appropriate addendum to the Contract.

8. COVENANTS AND RESTRICTIONS AFFECTING PROPERTY: A majority of homes, whether new or re-sale, located in a subdivision are subject to certain restrictions applicable to the use of the Property as well as the construction of certain improvements to the Property. Such restrictions are referred to as covenants and, in the case of Property subject to a Homeowners Association or Condominium Association, the covenants are contained in a Declaration of Covenants and Restrictions as well as the Bylaws of the Association. However, many properties are also subject to covenants even though the Property is not subject to a Homeowners Association or Condominium Association. Buyers are encouraged to inquire as to any covenants and restrictions which may be applicable to the Property which is being considered for purchase.

9. PRIVATE AGREEMENTS: Some communities may be subject to agreements, covenants or restrictions relating to the cost of certain maintenance items, restricting the use of properties or dealing with other matters. For example, properties sharing a driveway are often subject to such agreements. These private agreements do not fall within the required disclosures of HOA or condominium laws and may or may not be recorded. Buyer should make inquiries of Seller prior to or at the time of Contract.

10. WETLANDS, WATERWAYS AND/OR FLOOD PLAINS: Buyer is advised that, if all or a portion of the Property has wetlands and/or waterways or is located in a designated flood plain, the approval of the U.S. Army Corps of Engineers (the "Corps"), the Maryland Department of Natural Resources and other federal, state or local agencies may be necessary before a building permit for either new construction or expansion or improvement of the Property can be issued. Additionally, the future use of existing improved property may be restricted due to the presence of waterways, wetlands, and/or flood plains. Information as to wetlands, waterways and/or flood plains can be obtained from the District Office of the Corps at (410) 962-3670, the Maryland Department of Natural Resources at 1-877-620-8DNR (8367) or the Office of Planning and Zoning of the county or city in which the Property is situated. The Buyer expressly assumes the risk that the Property may be subject to restrictions due to the presence of waterways, wetland, and/or flood designations.

11. REFORESTATION: (Note: Applicable to property containing 40,000 or more square feet of land.) Buyer is hereby advised that if Buyer intends to apply for subdivision or site plan approval or a grading or sediment control permit upon the Property, applicable City or County law may require as a condition of such approval that Buyer submit plans acceptable to the City/County for establishing new tree cover, planting trees to replace forest which has been recently removed, and conserving the cutting and clearing of trees in accordance with applicable laws and regulations.

12. CHESAPEAKE BAY CRITICAL AREA: If all or a portion of a Property is located within 1,000 feet of tidal waters of the Chesapeake Bay, there may be restrictions on the use and/or development of the Property. Additional information regarding the Chesapeake Bay Critical Areas is available from the Critical Areas Program established by the local government of each county in Maryland and Baltimore City.

13. BWI AIRPORT NOTICE: Some properties may be located in the Baltimore/Washington International Airport Noise Zone. A Buyer desiring to obtain a copy of Noise Zone Maps may do so by calling the Office of Noise, Real Estate and Land Use Compatibility at 410-859-7375 or email maanoiseabatement@mdot.state.md.us. Information regarding the location of other airports and their operations may be obtained by calling the local zoning office for the area in which the Property is located.

14. INSURANCE: Buyer acknowledges that, as a condition of making a mortgage loan, lenders may require proof of hazard insurance coverage and may also require flood insurance coverage.

15. PROPERTY CONDITION (HOME INSPECTION): If the appropriate contingency is included in the Contract, home inspection firms may be employed to inspect the condition of the Property, including central heating and cooling systems and components, plumbing and electrical systems and components, the roofing, exterior and interior walls, ceilings and floors, foundation and/or basement (including chronic water penetration). If the Property is part of a condominium, Buyer's rights include access to the common areas to perform the inspection.

16. PRIVATE WATER AND SEWAGE SYSTEMS: Many properties are serviced by wells and/or private water and/or sewage systems. Local laws or lenders may require various tests and/or inspections. If the Property is serviced by any such system, this should be addressed by a separate addendum to the Contract.

17. ENVIRONMENTAL CONSIDERATIONS; HAZARDOUS MATERIALS: There are many hazardous materials that could affect a Property. The Brokers and their agents will generally have no knowledge of these hazardous materials and do not have the technical expertise to ascertain or advise you of the presence or significance of these hazardous materials. Buyer has the right to request, as a condition of an offer and, subject to acceptance by the Seller, the employment of a specialist of Buyer's choice to provide an analysis of hazardous materials which may be present. Hazardous materials inside the home can include, but are not limited to, cleaning chemicals, paint, asbestos, radon, lead paint, petroleum products, lawn and garden chemicals and indoor air pollutants that can accumulate. Hazardous materials outside the home can include, but are limited to, those found in contaminated land, water, landfills and other disposal sites, industrial air and water emissions, radiation from high tension wires, and those which may be present in underground storage tanks. Generally, additional information pertaining to these materials is available from the Maryland Department of the Environment (MDE) at (410) 537-3000.

18. FIRE-RETARDANT TREATED PLYWOOD: The use of fire-retardant treated (FRT) plywood as roof sheathing may result in the loss of wood strength through thermal degradation. The extent of such degradation depends upon the particular fire-retardant treatment used as well as the temperature levels and the degree of moisture present in the roof and attic systems. Additional information regarding FRT plywood is available from the National Association of Homebuilders at (800) 368-5242. For information as to whether a Property was constructed with FRT plywood, Buyer may contact the local Department of Building Inspections and Permits and/or request that a home inspector determine the condition of FRT plywood if present.

19. RADON: The MDE and the U.S. Environmental Protection Agency (EPA) have found levels of naturally occurring radon in some areas of Maryland that exceed the levels considered acceptable by the EPA. Studies have shown that extended exposure to high levels of radon can adversely affect your health. Radon testing firms in the area have special equipment to detect elevated levels of radon on a Property. They can also recommend actions to be taken to decrease concentrations of radon to an acceptable level. Buyer is advised to contact the Center for Radiological Health at the MDE at (410) 537-3000 for further information on radon.

20. LEAD PAINT: The MDE has found that many homes built before 1978 contain lead paint, the ingestion of which can be particularly dangerous. The potential dangers of lead paint may be greatly exacerbated by repairs and renovations performed without the assistance of a qualified lead paint removal specialist. Buyer is advised to contact the Lead Paint Poisoning Prevention Division of the MDE at (410) 537-3000 for further information on lead paint. Specialists are available to determine if lead paint has been used in a Property. In some cases, lead paint inspection may be mandatory.

21. ASBESTOS: Asbestos has been used in residential property for insulation, fireproofing, acoustical, decorative and other purposes. Common uses of asbestos include insulation around boilers and pipes, surfacing material, ceiling and floor tiles, roofing material, wallboard, and cement pipe. Improper handling or removal of asbestos during renovations or repairs may damage the asbestos and cause asbestos particles to become airborne, potentially causing health risks. Buyer is advised to contact the MDE at (410) 537-3000 for further information on asbestos.

22. AVAILABILITY OF LIMITED WARRANTY: A Limited Warranty may be available for purchase through a Broker. Such a Limited Warranty may provide, subject to the terms and conditions of the Limited Warranty, compensation in the event certain named components and/or appliances become inoperable or fail during a specified period of time (usually one year from settlement).

23. NEWLY CONSTRUCTED RESIDENCES: a) New Home Warranty Plan: If a Property is a newly constructed dwelling, Maryland law requires that Seller/Builder provide Buyer with a written statement concerning the presence or absence of a New Home Warranty (addendum will be attached); b) Insulation: Seller/Builder must inform Buyer of the location, type and thickness (R Factor) of insulation used in the walls and roof of the newly constructed residence; c) Water/Sewer Service: a Property may be subject to a fee or assessment which purports to cover or defray the cost of installing or maintaining all or part of the public water or waste water facilities serving a subdivision. This fee or assessment may be payable annually. Seller will provide Buyer with a detailed written disclosure of the amount of the fee, the duration of the fee, and any right to prepay or discount the fee.

24. CERTIFICATIONS: Depending upon the type of mortgage applied for by Buyer, lenders may require certain certifications that relate to a Property or require inspections/appraisals that certify that a Property is free of specific hazards or conditions.

25. FHA PREPAYMENT: FHA regulations specify that if the loan is paid in full on the first day of a month, interest for that month is not payable, but if the loan is paid in full on any day other than the first day of a month, interest may be payable through the end of that month.

26. NOTICES/FAX TRANSMISSIONS: Unless otherwise provided herein or in another Addendum, any notice to Buyer shall be effective when delivered to Buyer or an agent of Buyer, and any notice to Seller shall be effective when delivered to Seller or an agent of Seller. Notices under the Contract shall be in writing, and may be hand-delivered, mailed or transmitted by an electronic medium which produces a tangible copy. An electronic copy of a signed offer, acceptance, addendum or notice shall be deemed the equivalent of the original document. While not required, it is suggested that documents with original manual signatures of the parties be forwarded to Buyer and Seller in accordance with the Contract.

If Buyer elects not to request corrective action from Seller as a result of an inspection, Buyer shall not be required to submit a copy of the inspection report to Seller.

B. Buyer's General Right to Terminate Contract

NOTICE: THIS PARAGRAPH 4.B. SHALL NOT APPLY UNLESS INITIALED BY BOTH BUYER AND SELLER. Understanding Whom Real Estate Agents Represent

THIS NOTICE IS NOT A CONTRACT

In this form "seller" includes "landlord"; "buyer" includes "tenant"; and "purchase" or "sale" includes "lease"

Agents Who Represent the Seller

Seller's Agent: A seller's agent works for the real estate company that lists and markets the property for the sellers and exclusively represents the sellers. A Seller's agent may assist the buyer in purchasing the property, but his or her duty of loyalty is only to the seller.

Subagent: A Subagent means a licensed real estate broker, licensed associate real estate broker, or licensed real estate salesperson who is not affiliated with or acting as the listing real estate broker for a property, is not a buyer's agent, has an agency relationship with the seller, and assists a prospective buyer in the acquisition of real estate for sale in a non-agency capacity. The subagent works for a real estate company different from the company for which the seller's agent works. The subagent can assist a buyer in purchasing a property, but his or her duty of loyalty is only to the seller.

If you are viewing a property listed by the company with whom the agent accompanying you is affiliated, and you have not signed a Buyer Agency Agreement and a "Consent for Dual Agency" form, that agent is representing the seller

Agents Who Represent the Buyer

Buyer's Agent : A buyer may enter into a written contract with a real estate broker which provides that the broker will represent the buyer in locating a property to buy. The agent from that broker's company is then known as the buyer's agent. The buyer's agent assists the buyer in evaluating properties and preparing offers and developing negotiation strategies and works in the best interest of the buyer. The agent's fee is paid according to the written agreement between the broker and the buyer. If you as a buyer wish to have an agent represent you, you must enter into a written buyer agency agreement.

Dual Agents

The possibility of **dual agency** arises when the buyer's agent and the seller's agent both work for the same real estate company, and the buyer is interested in property listed by that company. The real estate broker or the broker's designee, is called the "dual agent." Dual agents do not act exclusively in the interests of either the seller or buyer, and therefore cannot give undivided loyalty to either party. There may be a conflict of interest because the interests of the seller and buyer may be different or adverse.

If both seller and buyer agree to dual agency by signing a Consent For Dual Agency form, the "dual agent" (the broker or the broker's designee) shall assign one agent to represent the seller (the seller's "intra-company agent") and another agent to represent the buyer (the buyer's "intra-company agent"). Intra-company agents are required to provide the same services to their clients that agents provide in transactions not involving dual agency, including advising their clients as to price and negotiation strategies.

If either party does not agree to dual agency, the real estate company must withdraw the agency agreement for that particular property with either the buyer or seller, or both. If the seller's agreement is terminated, the seller must then either represent him or herself or arrange to be represented by an agent from another real estate broker/company. If the buyer's agreement is terminated, the buyer may choose to enter into a written buyer agency agreement with a different broker/ company. Alternatively, the buyer may choose not to be represented by an agent of his or her own but simply to receive assistance from the seller's agent, from another agent in that company, or from a subagent from another company.

No matter what type of agent you choose to work with, you have the following rights and responsibilities in selling or buying property:

>Real estate agents are obligated by law to treat all parties to a real estate transaction honestly and fairly. They must exercise reasonable care and diligence and maintain the confidentiality of clients. They must not discriminate in the offering of properties; they must promptly present each written offer or counteroffer to the other party; and they must answer questions truthfully.

>Real estate agents must disclose all material facts that they know or should know relating to a property. An agent's duty to maintain confidentiality does not apply to the disclosure of material facts about a property.

>All agreements with real estate brokers and agents must be in writing and explain the duties and obligations of both the broker and the agent. The agreement must explain how the broker and agent will be paid and any fee-sharing agreements with other brokers.

>You have the responsibility to protect your own interests. You should carefully read all agreements to make sure they accurately reflect your understanding. A real estate licensee is qualified to advise you on real estate matters only. If you need legal or tax advice, it is your responsibility to consult a licensed attorney or accountant.

Any complaints about a real estate licensee may be filed with the Real Estate Commission at 500 North Calvert Street, Baltimore, MD 21202. (410) 230-6205

Consent for Dual Agency

(In this form, the word "seller" includes "landlord"; "buyer" includes "tenant"; and "purchase" or "sale" includes "lease")

When Dual Agency May Occur

The possibility of Dual Agency arises when:

- 1) The buyer is interested in a property listed by a real estate broker; and
- 2) The seller's agent and the buyer's agent are affiliated with the same real estate broker.

Important Considerations Before Making a Decision About Dual Agency

A broker or the broker's designee, acting as a dual agent does not exclusively represent either the seller or buyer; there may be a conflict of interest because the interests of the seller and buyer may be different or adverse. As a dual agent, the real estate broker does not owe undivided loyalty to either the seller or buyer.

Before the buyer and seller can proceed to be represented by a broker acting as a dual agent, they must both sign Consent for Dual Agency. If the buyer has previously signed Consent for Dual Agency, the buyer must **affirm** the buyer's consent for the purchase of a particular property before an offer to purchase is presented to the seller. If the seller has previously signed Consent for Dual Agency, the seller must **affirm** the seller's consent for the sale of the property to a particular buyer before accepting an offer to purchase the property. The **affirmation** is contained on Page 2 of this form.

Your Choices Concerning Dual Agency

In a possible dual agency situation, the buyer and seller have the following options:

1. **Consent in writing to dual agency.** If all parties consent in writing, the real estate broker or the broker's designee (the "dual agent") shall assign one real estate agent affiliated with the broker to represent the seller (the seller's "intra-company agent") and another agent affiliated with the broker to represent the buyer (the buyer's "intra-company agent"). Intra-company agents are required to provide the same services to their clients that agents provide in transactions not involving dual agency, including advising their clients as to price and negotiation strategy.
2. **Refuse to consent to dual agency.** If either party refuses to consent in writing to dual agency, the real estate broker must terminate the brokerage relationship for that particular property with the buyer, the seller, or both. If the seller's agreement is terminated, the seller must then either represent him or herself or arrange to be represented by another real estate company. If the buyer's agreement is terminated, the buyer may choose not to be represented by an agent of his or her own but simply to receive assistance from the seller's agent, from another agent in that company, or from a subagent from another company. Alternatively, the buyer may choose to enter into a written buyer agency agreement with a different broker/company.

Duties of a Dual Agent and Intra-Company Agent

Like other agents, unless the client gives consent to disclose the information, dual agents and intra-company agents must keep confidential information about a client's bargaining position or motivations. For example, without written consent of the client, a dual agent or intra-company agent may not disclose to the other party, or the other party's agent:

- 1) Anything the client asks to be kept confidential; *
- 2) That the seller would accept a lower price or other terms;
- 3) That the buyer would accept a higher price or other terms;
- 4) The reasons why a party wants to sell or buy, or that a party needs to sell or buy quickly; or
- 5) Anything that relates to the negotiating strategy of a party.

* **Dual agents and intra-company agents must disclose material facts about a property to all parties.**

How Dual Agents Are Paid

Only the broker receives compensation on the sale of a property listed by that broker.

If a financial bonus is offered to an agent who sells property that is listed with his/her broker, this fact must be disclosed in writing to both the buyer and seller.

Consent for Dual Agency

I have read the above information, and I understand the terms of the dual agency. I understand that I do not have to consent to a dual agency and that if I **refuse** to consent, there will not be a dual agency; and that I may withdraw the consent at any time upon notice to the dual agent. I hereby **consent** to have

ATTENTION LICENSEES: THIS IS NOT AN ADDENDUM IT IS SUGGESTED LANGUAGE. A form created by your broker/company with the below information must be presented to the Seller no later than when the Seller signs the listing agreement and the Buyer, prior to showing any properties listed by members of your team.

NOTIFICATION OF DUAL AGENCY WITHIN A TEAM

Under Maryland law, a team that provides real estate brokerage services must consist of two or more associate brokers or salespersons, or a combination of the two, who:

1. work together on a regular basis;
2. represent themselves to the public as being part of one entity; and
3. Designate themselves by a collective name such as "team" or "group."

The team operates within a brokerage, and team members are supervised by a team leader as well as by the broker, and, if they work in a brokerage branch office, by the branch office manager.

The law permits one member of a team to represent the buyer and one member to represent the seller in the same transaction only if certain conditions are met. If both parties agree, the **broker** of the real estate brokerage with which the salespersons or associate brokers are affiliated or the **broker's designee** (the "dual agent") shall designate one team member as the intra-company agent for the buyer and another team member as the intra-company agent for the seller. No one else may make that designation.

The law also requires that the buyer and seller each be notified in writing that the two agents are members of the same team, and that the team could have a financial interest in the outcome of the transaction in addition to any financial benefit obtained by selling one of the broker's own listings. THIS CONSTITUTES YOUR NOTICE OF THOSE FACTS.

Dual agency may occur only if both parties consent to it, and sign the Consent for Dual Agency form prescribed by the Real Estate Commission. If you have concerns or questions about being represented by a team member when another team member represents the other party, you should address these to the broker or branch office manager before signing the Consent form.

ACKNOWLEDGMENT OF RECEIPT OF NOTICE

I/we acknowledge receipt of the Notification of Dual Agency within a Team.

including latent defects, that may exist, except as otherwise provided in the contract of sale of the property.

At the time the disclosure or disclaimer statement is delivered to you ("the buyer"), you are required to date and sign a written acknowledgement of receipt on the disclosure or disclaimer statement which shall be included in or attached to the contract of sale.

- (ii) Occupancy, in the event of a lease with option to purchase.

The information contained in the property condition disclosure statement is the representation of the seller and not the representation of the real estate broker or sales person, if any. A disclosure by the seller is not a substitute for an inspection by an independent professional home inspection company. You should consider obtaining such an inspection. The information contained in a disclosure statement by the seller is not a warranty by the seller as to the condition of the property of which condition the seller has no actual knowledge or other condition, including latent defects, of which the seller has no actual knowledge. The seller is not required to undertake or provide an independent investigation or inspection of the property in order to make the disclosures required by Section 10-702. The seller is not liable for an error, inaccuracy or omission in the disclosure statement if the error, inaccuracy or omission was based upon information that was not within the actual knowledge of the seller or was provided to the seller by a third party as specified in Section 10-702(i) or (j).

You may wish to obtain professional advice about the property or obtain an inspection of the property.

The undersigned buyer(s) and seller(s) acknowledge receipt of this notice on the date indicated below and acknowledge that the real estate licensee(s) named below have informed the buyer(s) and the seller(s) of the buyer(s)' rights and the seller(s)' obligations under Section 10-702.
